SME Small and medium enterprises Supply planned around the sector's operational and documentation needs.	BLK Individual and bulk buyers Responsive sourcing, clear quotation and dependable delivery.

HOW IT WORKS

From request to delivery.

A five-step workflow designed to keep procurement clear and accountable from the first requirement to final handover.

01	Request Share the product list, RFQ or tender document.
02	Sourcing We compare verified suppliers and availability.
03	Quotation Receive a clear, itemised and costed quote.
04	Confirmation Approve the order, location and schedule.
05	Delivery Receive quality-checked goods and documentation.

TENDER & PROCUREMENT CAPABILITY

Tender bidding & compliance Requirement review and documentation.	End-to-end procurement One point of contact from spec to delivery.
Bulk sourcing & delivery Large-volume orders planned to schedule.	Contract fulfilment Responsive execution across the contract term.
